Dear Paul:

On behalf of the National Board of the Association of Canadian Search, Employment & Staffing Services (ACSESS), it is my pleasure to extend our appreciation to Staffguard for the commitment you have made as a Premier Sponsor of our Association.

The terms of this sponsorship have been conveyed in a letter from our executive director, and we are confident that this relationship will bring considerable value to ACSESS members across Canada. Your personal leadership in developing insurance coverages that are responsive to all segments of our industry also supports ACSESS efforts to continuously raise the standard of service offered by our members.

As agreed in the terms of our Premier Sponsorship, ACSESS will provide a variety of platforms to promote Staffguard and the availability of various insurance options to our members. I encourage you to provide regular materials and updates for this purpose.

Thank you again for your continued support of ACSESS and the staffing services industry in Canada and I look forward to seeing you at upcoming Association events.

Yours very truly,
