Message from Honourable Ed Stelmach Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to join with the Association of Canadian Search, Employment and Staffing Services in celebrating Staffing for Canada Week 2010.

This annual nation-wide event, which originated in Edmonton in 1980 as National Temporaries' Week, recognizes the contributions of temporary and contract employees in Alberta and across Canada. These employees share their skills, professionalism, flexibility and adaptability with a wide range of industries and play an important role in the strength and success of Canadian businesses.

I would like to extend my appreciation to the members of the Association of Canadian Search, Employment and Staffing Services for organizing this week of recognition. I applaud your ongoing commitment to the promotion of business excellence. Please accept my sincere best wishes for a successful and productive Staffing for Canada Week 2010.

Ed Stelmach
