## Message from Honourable Ed Stelmach Premier of Alberta

*On behalf of the Government of Alberta, it is my pleasure to join with the Association of Canadian Search, Employment and Staffing Services (ACSESS) in celebrating Staffing for Canada Week 2011.*

*This annual, nation-wide event, which originated in Edmonton in 1980 as National Temporaries' Week, recognizes the contributions of temporary and contract employees in Alberta and across Canada.*

*This year's theme of Putting Canadians to Work is especially appropriate in Alberta where our labour force is growing steadily. ACSESS members and the many temporary employees they hire play an important role in supplying the human resources our economy needs to return to prosperity. Organizations like ACSESS provide a great public service in raising the profile of the temporary staffing sector as well as promoting best practices and ethical standards.*

*Best wishes for a successful and productive week.*

Ed Stelmach

*June 5-11, 2011*
