A Message from the Premier

As Premier, and on behalf of the people of British Columbia, welcome to the 2011 Association of Canadian Search, Employment and Staffing Services (ACSESS) celebration of *Staffing for Canada Week*.

Temporary and contract employees in Canada contribute a great deal to the success of businesses across all sectors. It is their skills, professionalism, flexibility and adaptability that truly makes a difference in meeting short term and long term needs.

I would like to commend the people involved with ACSESS and all those involved in organizing this conference. I wish you every success as you celebrate *Staffing for Canada Week*.

Sincerely,
