A MESSAGE FROM THE PREMIER

On behalf of the Province of Manitoba, it is my pleasure to honour Staffing for Canada week from June 5th to June 11th.

Manitoba is emerging from the recession with a new sense of optimism and nowhere is this more evident than in our workforce. As our economy continues to grow, demand for workers will remain strong. The staffing services industry will play an essential role in matching people with all sorts of skills with new, exciting jobs. I would like to commend the efforts of the Association of Canadian Search, Employment & Staffing Services and all staffing services firms. Our province's low unemployment rate is a testament to your hard work.

Special thanks to all the temporary employees in Manitoba. Agencies rely on your contribution to continuously meet the demands of the market.

Congratulations and best wishes for the future.
