

Message from the Premier

On behalf of the Government of Newfoundland and Labrador, I am pleased to extend my best wishes to the Association of Canadian Search, Employment and Staffing Services (ACSESS) for a successful *Staffing for Canada Week 2011*.

This important, nation-wide event brings recognition to the temporary and contract employees in Canada. Their dynamic skills, innovation, and dedication to a wide range of industries play a crucial role in the success of Newfoundland and Labrador and Canadian businesses.

Newfoundland and Labrador has been fortunate to thrive despite the recent difficult economic times experienced in Canada and the entire world. We also know what it's like to weather adversity, and fully recognize the critical importance of a strong staffing industry to maximize opportunities.

On behalf of the people of our province, I would like to acknowledge ACSESS and their valuable contributions in securing a prosperous future for all industries and their workers.

Sincerely,

KATHY DUNDERDALE
Premier
