## **A PERSONAL MESSAGE FROM THE PREMIER**

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone taking part in Staffing for Canada Week 2011, hosted by the Association of Canadian Search, Employment and Staffing Services (ACSESS).

The staffing industry is an important component of our economy, ensuring that the dynamic and skilled individuals who make up our temporary and contractual workforce can continue to make invaluable contributions to our economy. Our government values the expertise of executive search, placement, temporary and contractual staffing agencies in meeting the diverse needs of employers and workers.

I would like to extend my appreciation to ACSESS for the vital role it plays in providing a voice for the industry and for the important services and supports it provides to employers and workers across Canada. I applaud your outstanding commitment to business excellence.

Please accept my best wishes for a successful and productive Staffing Week Canada 2011.
