

LUCASWorks!

LucasWorks was very happy to take the time during “Staffing for Canada Week” , to thank our associates for all the hard work they do at some of Windsor’s top businesses. There were four winners in our raffle, which was open to all of our current employees. The prizes included a \$50.00 gift certificate for dinner, a \$50.00 gift certificate for Zehrs, a \$50.00 gift certificate for the mall and a fourth prize of 4 tiger tickets. Their picture will also be included in one of our local business magazines, who have agreed to share LucasWorks thanks to its employees, with the community. The picture includes the following LucasWorks staff and LucasWorks associates:
