A Message from the Premier

As Premier of the province of British Columbia, it is my pleasure to join with the Association of Canadian Search, Employment and Staffing Services (ACSESS) in celebrating *Staffing for Canada Week 2009*.

This annual, nation-wide event brings recognition to the temporary and contract employees in British Columbia and across Canada. These individuals provide their skills, professionalism, flexibility and adaptability to a wide range of industries and play an important role in the strength and success of Canadian businesses.

I would also like to acknowledge Canadian staffing agencies and their recruiters, consultants and field staff, for the great work that they do in assisting those who are searching for temporary and contract employment and businesses looking for short-term employees. Your work has been very effective and truly makes a difference.

On behalf of the people of British Columbia, please accept my best wishes for a successful *Staffing for Canada Week 2009*.

Sincerely,

Gordon Campbell
Premier
